

JOIN THE AMWU TODAY

The Union for Rail Manufacturers, Maintainers and Repair Workers

The AMWU covers workers involved in the “rolling stock industry” who have undertaken vocational education and training.

This includes workers responsible for the manufacturing, making, assembly, processing, treatment, fabrication, maintenance of rolling stock for rail and tram systems.

Examples include:

- Those working in or in connection with mechanical trades such as fitters, boilermakers, sheetmetal workers and trade assistants
- Foremen and supervisors of engineering production, manufacturing processes, maintenance, and repair work
- Drafters, designers, and planning workers
- Clerical and administrative employees in private rail industry associated closely with the “rolling stock” industry
- Technical employees such as inspection, technical purchasing, and development
- Interlocking fitters, locksmiths, and signals mechanics
- Upholsterers and car builders

Join the AMWU today for better pay and conditions, safer workplaces and the support of a national union dedicated to advancing the rights of workers.

Interested in joining our union?

You can speak to a delegate or contact your organiser:

Gary Carozzi - 0432 733 304 (WA)
Kegan Scherf - 0407 823 069 (QLD)
Nathan Tuddenham - 0425 772 738 (VIC)
Nathan Everson - 0409 771 811 (NSW)

Please use your mobile camera to scan and open our join form.
